

REFLECTIONS

ALMA Y CORAZON

*“...Once upon a time, far away in the North,
where the colours are sparkling and the earth is alive.
The smile of the sky invites you to stay,
Breath in the salty air and follow the way...”*

José Saluzzi, guitar (Argentinien)
Julia Malischnig, vocals, guitar (Österreich)

Julia Malischnig and José Saluzzi show their wonderful way of creating a sensual musical web with their own songs and compositions, jazz standards and traditional Argentinian music.

The music and lyrics reflect the landscape and life of the northern Argentinian planes, the search for self and the colourful variations of love.

GUITAR AND VOICE FORM A SYMBIOTIC CONNECTION OF VARIANT CULTURES WITH
„ALMA Y CORAZON“, WITH HEART AND SOUL.
